If you have given the student a 2 or below, please explain the reasons for the score.

Please describe the nature of the legal experience and activities in which the student engaged during this internship (subject to attorney/client privilege).

Student observed trials, hearings, a mediation and a deposition. She was very helpful in helping to organize the intern party. She participated in group discussions about our cases. She assisted the court coordinator and myself in office projects.

Please describe the student's unique strengths.

She is very well spoken. She gets along well with others.

What suggestions do you have for the student's improvement? Please be specific.

None.
